

This Guideline provides the necessary information for registering, logging in to the ISFSEA submission panel, and submitting your paper.

1—You will first see the login page. You need to register. **Please click on Register.**

The image shows a web interface for ISFSEA. On the left, a dark blue gradient box contains the text "Welcome to ISFSEA" at the top. Below it are two input fields: "Username or Email" with the text "admin" and "Password" with masked characters "*****". A link "Forgot your password?" is positioned below the password field. At the bottom of this box are two buttons: "Login" and "Register". Below the "Register" button is a checkbox labeled "Keep me logged in" which is checked. On the right, a white box contains the ISFSEA logo, which is a stylized geometric pattern. Below the logo, the text "The International Society of Fuzzy Sets Extensions and Applications" is displayed.

5- Please click the login button and use your username and password to log in.

Thank you for activating your account. You may now log in using the credentials you supplied when you created your account.

Login

6- After login, you can submit your paper. Click on **New Submission**.

7- Please fill in the section with the required information. Then click on **Begin Submission**.

Make a Submission

Before you begin

Thank you for submitting to the ISFSEA. You will be asked to upload files, identify co-authors, and provide information such as the title and abstract.

Please read our Submission Guidelines if you have not done so already. When filling out the forms, provide as many details as possible in order to help our editors evaluate your work.

Once you begin, you can save your submission and come back to it later. You will be able to review and correct any information before you submit.

Title *

ISFSEA title

Submission Checklist *

All submissions must meet the following requirements.

- The submission has not been previously published, nor is it before another journal for consideration (or an explanation has been provided in Comments to the Editor).
- The submission file is in OpenOffice, Microsoft Word, or RTF document file format.
- Where available, URLs for the references have been provided.
- The text is single-spaced; uses a 12-point font; employs italics, rather than underlining (except with URL addresses); and all illustrations, figures, and tables are placed within the text at the appropriate points, rather than at the end.
- The text adheres to the stylistic and bibliographic requirements outlined in the Author Guidelines.

☒ Yes, my submission meets all of these requirements.

Privacy Consent *

☒ Yes, I agree to have my data collected and stored according to the [privacy statement](#).

Submission Details

Please provide the following details to help us manage your submission in our system.

Title *

ISFSEA title

Keywords

Keywords are typically one- to three-word phrases that are used to indicate the main topics of a submission.

key1 × key2 ×

Abstract *

B *I* $\times^2$ $\times_2$

Contributors

Add details for all of the contributors to this submission. Contributors added here will be sent an email confirmation of the submission, as well as a copy of all editorial decisions recorded against this submission.

If a contributor can not be contacted by email, because they must remain anonymous or do not have an email account, please do not enter a fake email address. You can add information about this contributor in a message to the editor at a later step in the submission process.

For the Editors

Please provide the requested information to assist the Program Committee in managing and reviewing your submission.

When entering metadata (such as keywords, subject classifications, comments, or other relevant information), please provide complete and accurate details that will help facilitate the review process and the assignment of appropriate reviewers. You may review and update this information before completing your final submission.

Panels *

Select only the panels that are appropriate for your submission.

- ☒ Regular Submission
- ☐ Recent Advances in Fuzzy Algebraic and Fuzzy Hypercompositional Algebra
- ☐ Hyperbolic Fuzzy Sets (HyFS): Theoretical Foundations, Advanced Information Measures, and Real-World Decision-Making Applications
- ☐ Beyond Classical Fuzzy Sets: Structures, Generalizations and Applications
- ☐ Intelligent Decision-Making under Deep Uncertainty: Fuzzy Systems, Business Analytics, and Decision Intelligence for AI-Enabled and Sustainable Business
- ☐ Advances in Fuzzy and Neutrosophic Statistics for Uncertainty Modelling and Data-Driven Decision Making
- ☐ Neutrosophic and Plithogenic Decision Making and Optimization

Comments for the Editor

Add any information that you think our editorial staff should know when evaluating your submission.
